

# INTERSCALE 2015

## NIJMEGEN - THE NETHERLANDS

14/15 NOVEMBER

Dear flyer,

The date of the Interscale 2015 is rapidly getting closer! Here by enclosed you'll find the flying schedule along with other information regarding the contest. Also attached are three maps of the location of the hall.

### **Registration**

On arrival Saturday please register at the organisation table. Here the flyers will receive an envelope with starting numbers, necessary info and static judging forms. Also this is the opportunity to enter or change the classes you fly or possibly add models. There will also be a briefing for all flyers on Saturday at 10.00 to explain some things and welcome everybody.

### **Flying Schedule**

#### **Saturday**

<b>Timeslot</b>	<b>Category flown</b>
9.00 - 10.30	Trimming for all classes.
10.30 - 11.15	Kit scale contest flying, 2 rounds
11.15 - 11.45	Scale Glider flying
11.45 - 12.00	Pylon race
12.00 - 12.30	Lunch break.
13.00 - 14.30	F4D contest flying, 2 rounds
14.30 - 15.00	F4F Peanut, Pistachio
17.00 - 18.15	F4E contest flying, 2 rounds

Following the flying will be the buffet at the hall.  
Small changes to the schedule possible!

#### **Sunday**

<b>Timeslot</b>	<b>Category flown</b>
9.00 - 10.00	F4F Peanut, Pistachio
10.00 - 10.45	Kit scale contest flying, 2 rounds
10.45 - 12.00	F4E contest flying, 2 rounds
12.00 - 12.30	Lunch Break
12.30 - 14.45	F4F Peanut, Pistachio
14.45 - 15.15	Scale Glider flying
15.15 - 15.30	Pylon race
15.30 - 17.00	F4D contest flying, 2 rounds
17.00 - 17.45	F4F Peanut, Pistachio

Following the flying will be the Prize giving

### **Static Judging**

The judging of the scale classes will start at 9.30. Tables will be set up for the separate classes. Upon registration you will receive the score sheets for this, please check them and together with the documentation place them under the model at the judges table. Exception are the Kit scale models, these will be judged on Sunday and should be put on the respective table after the two rounds of flying on Sunday.

**\*\* Please note that your model should be at the judges table before 9.30!!! \*\***

The idea is that all models are at the judges table for static judging, if you want to testfly your model you can take it from the table, but leave your documentation and entry form at the judges table. You can then make your trimming and/or contest flights. When you finish test flying, put the model back at the table. This way everybody has plenty of trimming and flying time available.

### **Timekeeping**

For all classes the timekeeping will be done by timekeepers provided by the organisation. When you want to make a flight just come to the organization table at the centre of the hall.

**Prizes**

In all classes (F4F, F4D, F4E, Pistachio, Profile scale, Kit scale and Scale Glider) a prize will be awarded to the best three flyers. Also a prize is given in the F4F and F4D class to the best junior.

**How to reach the Jan Massinkhal**

The Jan Massinkhal is easily reached; it is located at the edge of one of the main roads through Nijmegen. When arriving by car please use the three maps with this letter as a reference. The exact address is:

Jan Massinkhal  
 Nieuwe Dukenburgseweg 5  
 6534 AD Nijmegen

See you November 14 and 15 in Nijmegen!

Kind regards on behalf of the organising committee,

Roel Lucassen  
 Gerard Brinks  
 Wout Moerman  
 Luis Bautista

Meyhorst 91-64  
 6537 KN Nijmegen  
 Netherlands
