

**Nijmegen, Netherlands**

**Invitation to:  
8<sup>th</sup> International Indoor Fly-In**

**09, 10 and 11 November, 2018**

**Jan Massinkhal**

This year we added a few hours to the Friday. Last year about 95% of all the flyers also came out to fly on Friday. This gave us the idea to have some contest flights on Friday. This gives us more room during the 3 days to have some trim flights. For those who won't be there for the Friday session we will give you plenty of room to make your flights on Saturday or Sunday.

This day is separately organised from the weekend. In this way we hope you don't feel forced to come a day earlier not to miss out on anything. There will be no static judging on this day only flying. We understand it can be a lot more expensive to come a day earlier.

**Preliminary schedule for the Friday:**

Friday 09 November                    14:00 – 21:00

**Costs:**

Because it is a separate day and a few extra hours of rent we are asking for a small donation. The Friday will cost €17,50 no dinner included.

Please let us know if you are planning to attend the Friday trimming sessions. In this way we have a small indication about who is coming and how many are coming.

Kind Regards,

Bernard Bruins
